Greetings from Cynthia Anthony.

I am fine here by the grace of God and by your daily prayer. And I hope the same with you.

I am very happy to tell you that I passed my SSLC examination with 92%. [distinction] and now I'm doing my Pre-University Course in Science with Combination of PCMB. I'm working hard to achieve my goal. I am grateful for your support to continue my education.

I'm happy receiving your letter and overwhelmed with joy seeing all the pictures which you have sent. I'm grateful to hear that your community belongs to 400 adults, children, young people and seniors. As you celebrate the main Mass on Sunday. Several Masses are usually in the week. We too follow the same but we have everyday morning Mass in our church. I don't know about the prayer breviary but I will try to follow which you have recommended to me. Even in our parish community we have several councils like parish council, youths etc. and I'm a part of it where we help each other and learn how to live in the right life.

As you asked me the question about our country. India is a country which is rich in heritage, tradition and culture. Our country has several national symbols like national animal - Tiger, national bird - Peacock, national flower - Lotus and national language Hindi. And I belong to Karnataka state and I speak Kannada language. We celebrate all the festivals and respect it.

India has several Seasons. Different places have different types of Climate. Moreover I like Spring Season, Monsoon Season. We get Summer Season from February to May. Even here in autumn Season the leaves on the trees are painted in a lot of colours. Yes, the seasons which you have explained its quite same here also But we don't get snow fall here. Actually I was not knowing about your Country but I got more knowledge about it.

I'm blessed to have a priest John who is helping me towards my education. Although you have plenty of works you spent your precious time for me. Once again I thank you from bottom of our heart. I thank Frantisek and Matej who wrote the Czech version and Matej and his english aunt who translated the Czech version into english which was useful for me to read.

I and my family wish you Merry Christmas and properous New year with full of joy, good health, love, abundance and Happiness in your life.

— THANKING YOU —

yours faithfully
Cynthia.
😊
